THE LIGHTHOUSE: REVIEW GALLERY OPEN CALL 2019

The Lighthouse: Scotland's Centre for Architecture and Design has maintained a programme of exhibitions and events that aim to show all aspects of design and question their social, economic, environmental and/or cultural impact.

The Review Gallery has been a space within The Lighthouse reserved for emerging architects, designers, or businesses with a focus on new projects or endeavours. This annual call-out is an opportunity to show recent work or create new work for the space. Located on our first floor overlooking reception with a double-height wall the space benefits from being exposed to all visitors that come into the building.

Each successful application will receive a £600 stipend to help cover materials, catering for any event and other costs. They will also receive in-kind support from The Lighthouse for install/de-install and marketing. This year we are looking for a range of designers, architects and entrepreneurs to apply. Priority will be given to those that have really considered the unusual space of the Review Gallery, especially its double-height wall and the impact the exhibition could have on their work, project, career or practice.

A template application is attached with a breakdown of criteria that will be looked at:

- **DESCRIPTION OF WORK**
  Brief overview of your practice or project and how it connects to your proposed exhibition.
- **STATEMENT OF INTENT and CONTENT**
  What you plan to do in the space and the impact you hope to make with visitors and any further specific pieces or models you hope to show.
- **LAYOUT**
  Discuss how you would use the space
- **BENEFIT TO WORK OR PRACTICE**
  The impact this exhibition could have on any future plans
- **BUDGET and ANY OTHER FUNDING**
  A rough breakdown of projected costs and any risks involved with the project. Lighthouse can provide a letter of support for any additional funding or partners.
- **SUPPORTING DOCUMENTS OR IMAGES**
  Please attach anything else you find relevant.

These criteria are flexible. Applications that emphasise design or architecture with a clear and ambitious approach to the space will be prioritised.

Please address any queries to **Exhibitions - exhibitions.thelighthouse@glasgow.gov.uk**
Completed applications should be emailed by **21 January 2019 at 17:00pm**.
